

IRISH SETTER CLUB OF AMERICA
2012 Breeders Directories Application
For Booklet and/or Internet Listings

To be listed in the annual ISCA Breeders Directories you MUST sign, date and return this application with the appropriate Directory fees, together with your regular membership renewal and dues, so it's POSTMARKED-- NO LATER than Tuesday, January 31, 2012.

The ISCA Breeders Directories (Booklet and Internet) are open to members of the Irish Setter Club of America who fulfill the following requirements:

1. You must be a member of ISCA in good standing for three years prior to being listed.
2. You must have bred at least one litter of Irish Setters within the past three years, or three litters within the past ten years.
3. You must subscribe to the Principles of Integrity (see Pg. 2 below). Note: it is required that you have a written customer contract/agreement for kennel sales activity. ISCA reserves the right to request a sample of your contract at any time. In the event a credible complaint is brought against a listed breeder, failure to have used a contract is grounds for delisting from the Breeders Directories.

I/We attest that I/we meet the above requirements. (If a dual listing both parties must sign.)

IRISH SETTER CLUB OF AMERICA, INC.

Principles of Integrity (Adopted October 23, 1988)

Members of the Irish Setter Club of America, Inc., agree to abide by the Constitutional objectives of the Club. Among these are provisions to protect and advance the interests of the breed, and to do all that is possible to bring the natural qualities of the Irish Setter to perfection.

To further these objectives all members agree to follow these principles of integrity:

- 1.** Comply with all American Kennel Club rules and regulations.
- 2.** Maintain a high standard of health, care and cleanliness for our dogs.
- 3.** Act in a sportsmanlike manner and not deliberately degrade other exhibitors/breeders or their dogs.
- 4.** Make every effort to learn about the structure, anatomy, action, behavior and other inheritable traits of the Irish Setter. To use this information to adhere to the breed standard and produce sound, healthy dogs with good temperament.
- 5.** To use or give service only to registered stock that is believed to be free of serious abnormalities which are considered inheritable.
- 6.** To provide a written contract/agreement for each sale or service which includes all special conditions related to the sale.
- 7.** Provide each buyer with accurate records regarding health and pedigree for the Irish Setter being purchased.
- 8.** Truthfully and realistically represent the Irish Setter being sold in terms of quality, health and genetic history.
- 9.** Refuse to sell to commercial wholesalers, retailers or to research laboratories.
- 10.** When selling an Irish Setter known to manifest hereditary defects considered to be detrimental to the breed, use written contracts or spay/neuter agreements to prevent the dog from being bred.
- 11.** Must agree that if any Irish Setter, on whose papers you are shown as the breeder or co-breeder, should become a part of any breed rescue program, that upon written notification, you will assume financial responsibility for those expenses and assist the Rescue Chair in placing in a suitable home, or assume custody of said Irish Setter.
