

RV Information for the National 2019

The Crowne Plaza, Asheville, has VERY LIMITED RV parking. All RV spots are on paved parking with access to grassy areas on which to walk dogs but level space for x-pens on grass is also limited. We will be doing a lottery for spots. **Mail your reservation form to arrive between January 7th and the 12th. Do not send early! A drawing will be done on January 13th to determine who will get a spot.**

RVs will be parked as they arrive. It is a very small area and everyone will be close to each other. Payment MUST be included with your reservation. The RV Fee is \$195, no matter the length of your stay. Sorry, we CANNOT fit trailers unless the TOTAL length of your rig is less than 40 feet (your rig may not be disconnected as there is no additional room for tow vehicles in this area). For motor homes we can fit any rig less than 40 feet, there is only room for 2 motor homes that measure between 40 -45 feet.

All parking will be on hard top parking lot. Spots will require a walk to the grass. If it is important for you to have your x-pens immediately outside your motor home, plan to bring mats to put down, as the parking lot surface can get hot during the day! Parking is a good distance from the rings.

No one may arrive at the Crowne Plaza prior to 3pm on Saturday May 4th. There is NO electric, NO water and NO dumping available at the show site. ABSOLUTELY no dumping of grey water on the show site! The closest dumping station is a couple miles away. We are working on a Honey Wagon and will have that information before the first of the year.

Questions: Email me at rsetter@att.net or call my cell phone at 908-216-2357.

To be placed in the lottery, please fill out the following application and return it to Anne Marie Kubacz.

Name: _____
